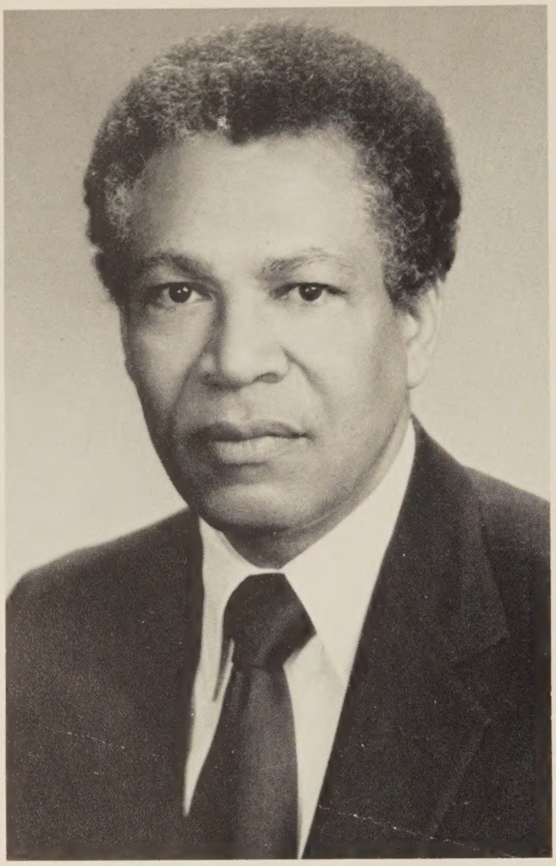
The New Guys in Town



Dr. Frederick D. Holliday

Dr. Holliday, our Superintendent of Schools since July, 1981 came to us from the York School District of York, Pennsylvania. He served there in the capacity of Superintendent.

He has received the following degrees: Bachelor of Science at Temple University — 1950, Ed. M. in Elementary Education & Administration at Temple — 1958, a Certificate of Advanced Study at Harvard University — 1969, and a ED.D. in School District Administration and supporting courses in Sociology and Urban Politics at Harvard — 1970.

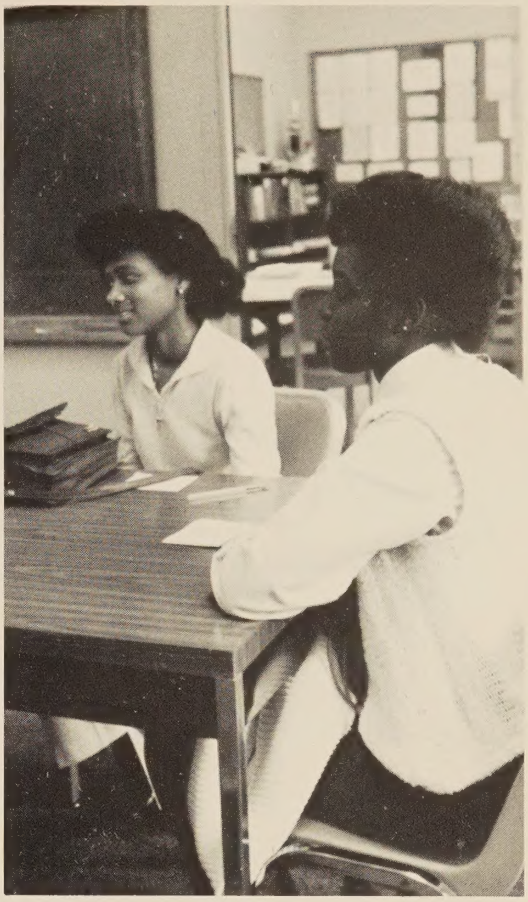
From 1944 to 1946, he served in the United States Navy. Dr. Holliday has also won many memberships in such prestigeous societies as Alpha Sigma Pi, and Phi Delta Kappa, a Rockefeller Fellowship and the Vincent F. Conroy Award from the Harvard Graduate School of Education.

George B. Cury, Ed.D.

Before becoming Principal in November, 1981, Dr. Cury served as Administrator of the alternative programs and the Thorough and Efficient program at the Rand Building, a part of Montclair High School.

His education consists of: Bachelor's Degree at Columbia College — 1960, Master's Degree at Teachers College — 1965, teacher certification at Montclair State College & Fairleigh Dickenson University, Graduate work at Columbia University, and a Ed.D. in educational administration at Rutgers University — 1981.

A New Beginning



Dr. Cury came to P.H.S. like, "a white tornado." He has suggested, and in most cases, implemented sweeping changes.

He opened a new Office of Student Affairs in the administration compound, established the Principal's Cabinet, a forum of school leaders to discuss and solve problems that come up, and also putting the finishing touches on a plan to create college-like schools within the school, such as Visual and Performing Arts, to better prepare Plainfield's young adults for the outside world.

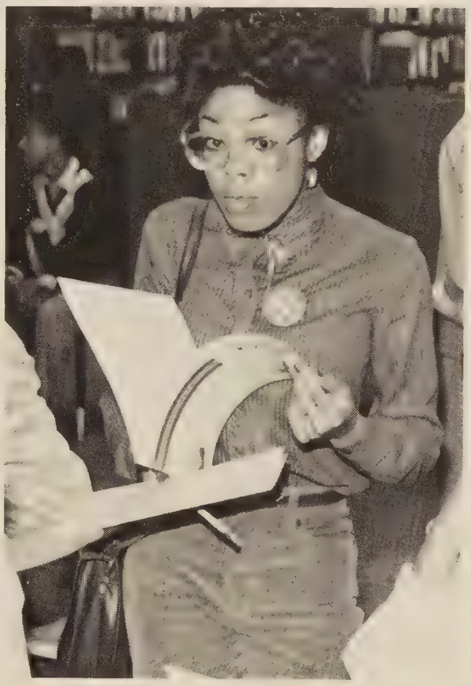
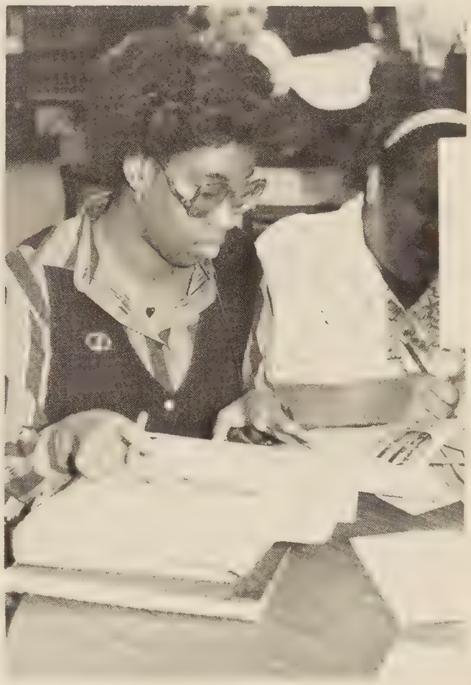
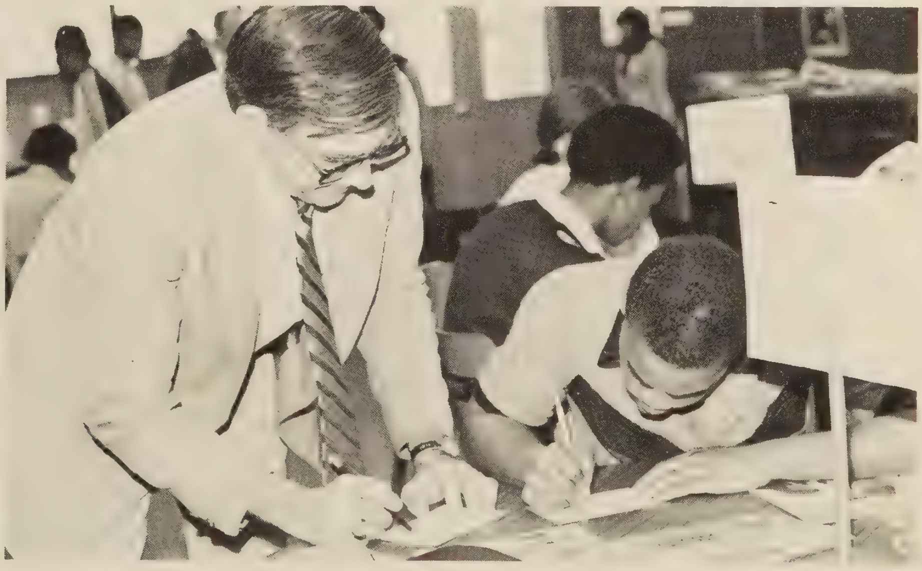
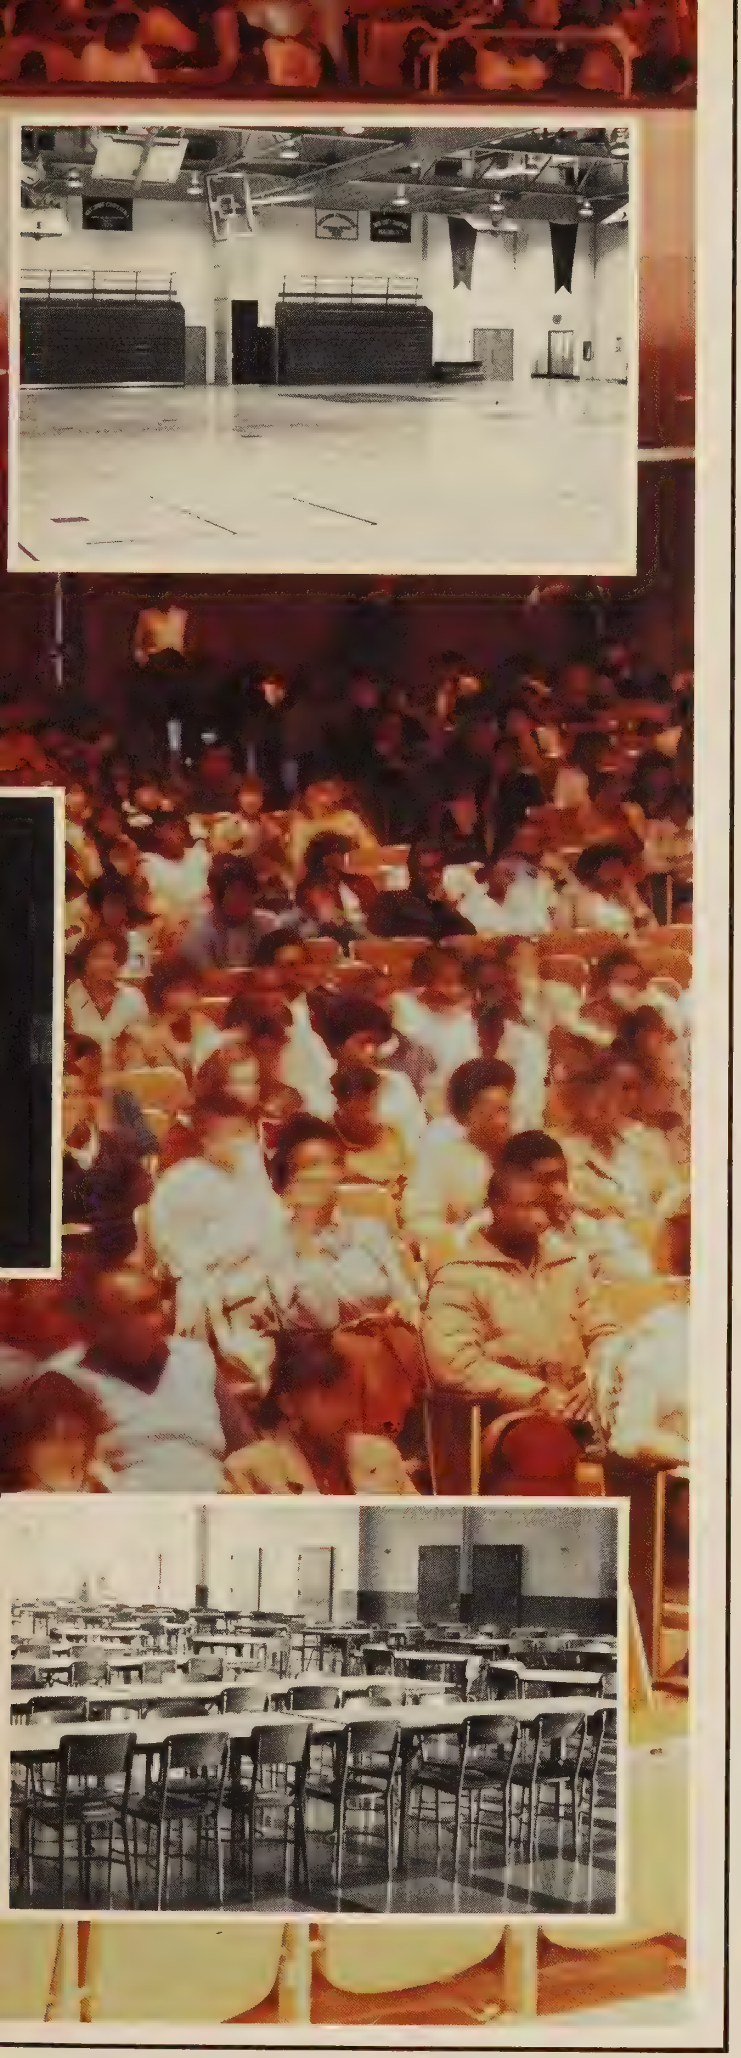
GUESS WHO

Future College Students









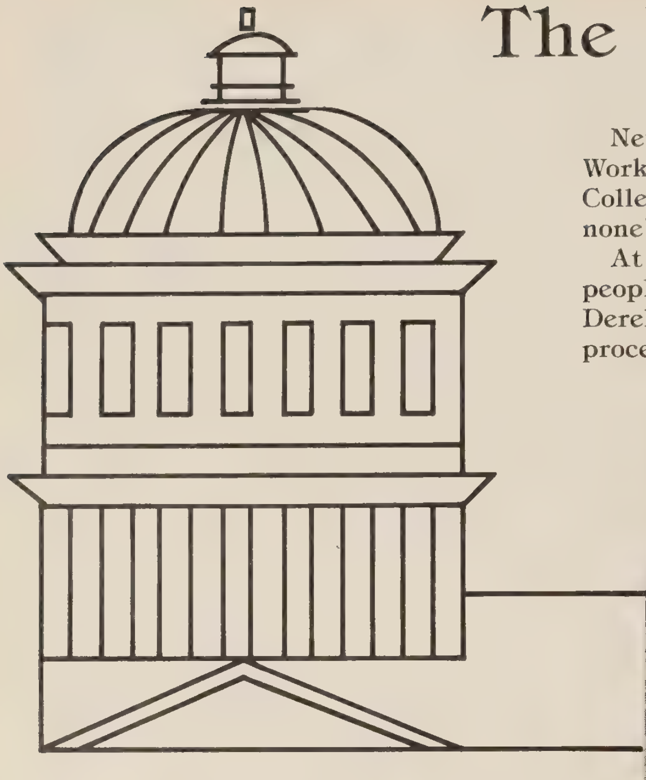
What Fond Memories!

These are the scenes of PHS that the members of the Class of 1982 will recall with fond memories, as they look back on their days spent at their Alma Mater.

The scenes look quiet and peaceful, but they were usually filled with fun, pleasure, excitement and the joys of high school friends, sweethearts and classmates.

They will be remembered far into the future years, and will no doubt be treasured more than they have been these past four years. It is a great school and this is a great class.

The Law Page

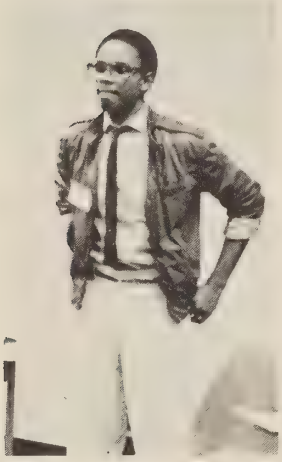


New Jersey State Model Congress 1981 and the Washington Workshops Congressional Seminar took place at Stockton State College and Washington, D.C. respectively. Students of Mr. Pannone's Law and Political Action classes participated.

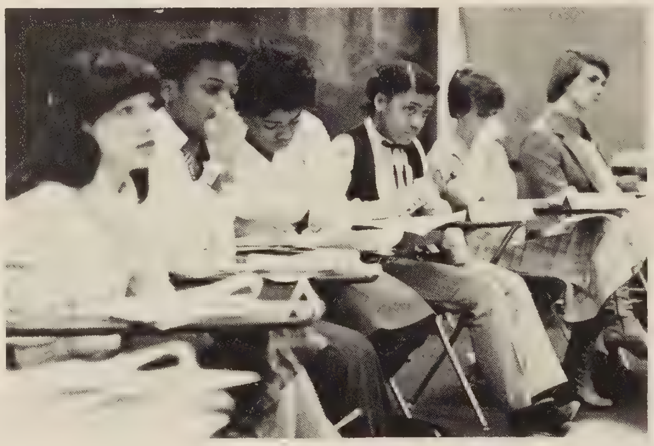
At Model Congress, the students took on the roles of Congresspeople, while at the Congressional Seminar, PHS representative Derek Young was taught the workings of the national legislative process.

A rainy day in Washington-Town.

D. Young resting after a long day.

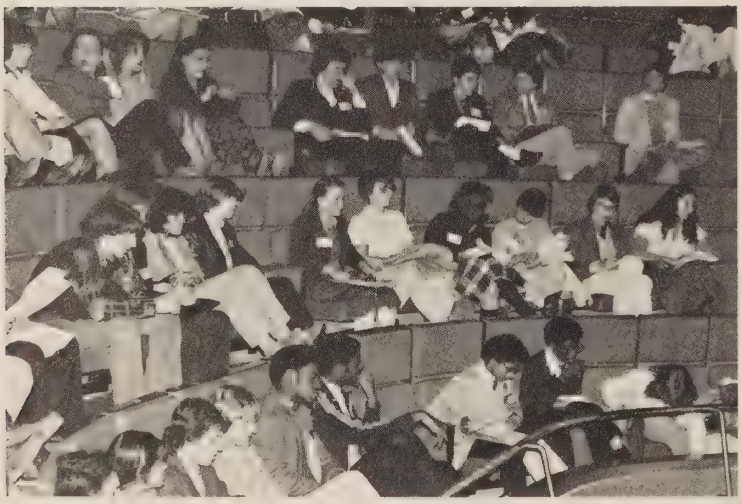


Congressman D. Thomas arguing a point.



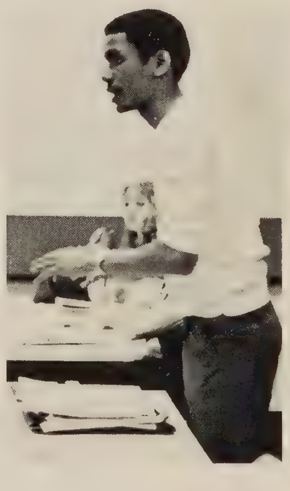
A woman's place is in the House or Senate! (P. Pearce and K. Franklin)

What's Ronnie up to now?



A joint session of Model Congress.

Everyone needs an extra hand! (P. Pannone)



Rep. B. Aaron knocking the competition.

T.-L.C./Child Care

Phinnize Brown-Reading Coordinator, June Cunninghame-Director, Ruth Moore, Rose Reeves, Dorothy Alexander-Math Coordinator, Marilyn DeWitt, Sunya Berson & Brenda Muhammed.

The Teaching-Learning Center (T-LC) is a resource center for the Public Schools of Plainfield. The T-TC is located on the ground floor level of the Ninth Grade House at PHS. All the films for the district are to be found there, as well as print, non-print, professional journals, curriculum guides and other material which teachers may persue or borrow for use with their students. The T-LC is used by teachers, parents, administrators and interested citizens.

Sure we work together, but I think I'd rather be a photographer.

Question:
What does the Title I Pre-School Program contribute to the school system?

Answer:
The ESEA, Title I Pre-School Program provides educationally needy four and five year old children with a pre-kindergarten experience for one session per day. This experience includes school readiness activities which prepares pre-schoolers for a successful kindergarten experience.

High school students in child care classes also benefit from this program. They observe the behavior and activities of the pre-schooler and learn about child development and child care.

Boy, that's a hard one!

Who't going to be doctor today?

Milestone/The New Entree

51-derful years! That is how long that **MILESTONE** has been capturing the most memorable views of the school, and printing them so the entire population may view a retrospective of the year gone by.

THE NEW ENTREE is in its fiftieth year of existence in 1982, making it one of the oldest and most respected high school newspapers in Central Jersey. This publication has, and continues to win major awards from such prestigious groups as the Columbia Scholastic Press Association. The C.S.P.A. awarded the 1980-1981 issues a second place rating. It reports on various areas, from City Hall and the athletic teams, to trivia and the events taking place within these walls.

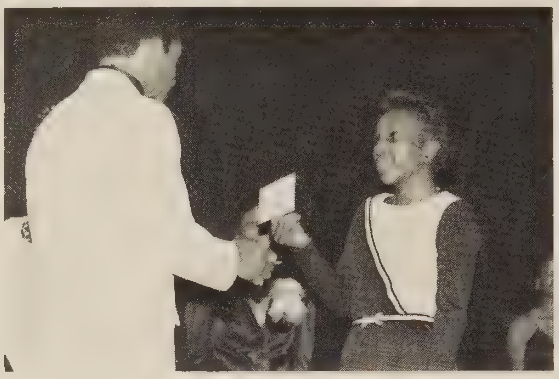
A Night To

A Touch of Class (D. Brodie)



"Do I have to answer this question?" (L. Dixon)

On January 29, 1982, Plainfield High School presented its first Miss P.H.S. Beauty and Talent Pageant. Seniors Denise Brodie, Jackie Brown, Lisa Dixon, Olivia Johnson, Monica Love, Pam Richardson, Crystal Robinson, Cynthia Standfield, and Sandy Willis, were the nine finalists out of the thirty original participants.

The event was held in the school auditorium in a genuine pageant atmosphere as the finalists were introduced in their black and white apparel and accompanied by their handsome senior escorts. The evening was continued with a talent exhibition; fashion display; a question for each of the finalists; and a hard decision for the judges.

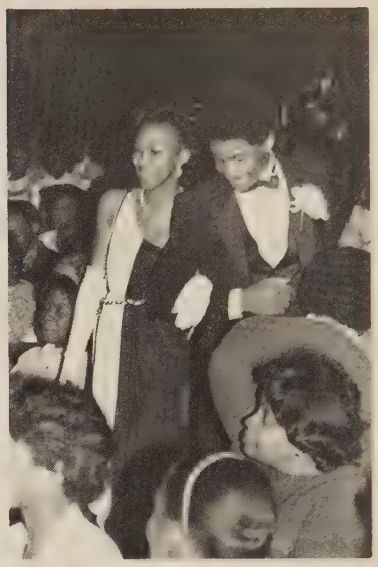
Third runner-up was Crystal Robinson who displayed her fine talent for fashion design. Crystal was indeed a highlight of the evening.

Second runner-up was cheerleader Monica Love. Monica captured and held the audience while she recited a unique and meaningful poem with a special message.

First runner-up was Law and Political Action student Olivia Johnson. Olivia won her title with recital of an orginial poem in four different languages.

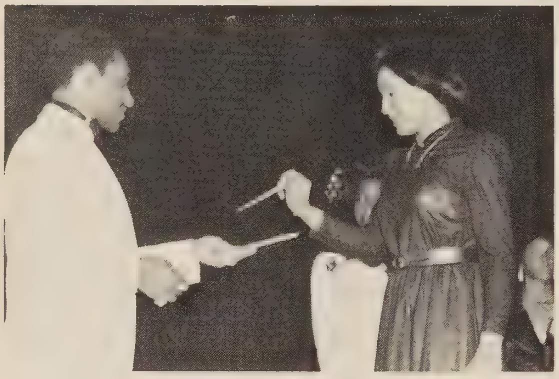
The winner of Miss P.H.S. was cheery cheerleader Sandy Willis. Sandy captured the hearts of the judges with a dimpled smile that lighted the auditorium, and performed a dance composition. Sandy was presented with flowers, a check and a tiara.

A special thanks to our celebrity Master of Ceremonies, WERA Disc Jockey, Clarence "B" Booker.



Sophisticated Lady (P. Richardson, with escort M. Coleman)

"All Smiles" (C. Standfield, with escort A. Royal)



"Better not blow this one." (O. Johnson)

J. Brown dancing to the Theme from Mahogany

Talented C. Robinson models one of her own creations

"Stepping Out in Style" (M. Love)

"Here I Am!" (S. Willis)

Remember

Tears of joy from 1st runner-up O. Johnson

A Radiant Miss P.H.S. — Sandra Willis

Delivering her message — 2nd runner-up M. Love

"An inspiration to Black Womanhood" (P. Richardson)

FACULTY

Administration

Dr. George Cury, Principal — Columbia College — B.A., Montclair State College — M.A., Rutgers and Columbia Universities — Ed. D.

This is the Administration that has guided the Class of 1982 these past four years at PHS. Some faces are new, some are still with us, while others have left the high school. Dr. George Cury came to us in October and PHS could be in for many changes in future years. Mr. Frank Votto, who spent ten years at Plainfield, left in January to become principal at Nutley High School. The Class of 1982 fondly remembers him and we will miss him. We wish him well in this new challenge. Mr. Henry Foster was acting principal until the arrival of Dr. Cury. He is now in charge of the 9th Grade Building. Mrs. Joyce Haynes has been transferred to Evergreen School as Vice Principal, and Mrs. Gloria Taylor, head of the Social Studies Department, has become one of the new Vice Principals at the high School. It is a tremendous job to guide the destinies of some 2600 students. We appreciate their abilities, interest, consideration, and sense of dedication.

Frank Votto, Vice Principal — Kean College — B.A., Rutgers University — M.A.

Henry Foster, Vice Principal — Butler University — B.S., Kean College — M.A.

William Schlough, Vice Principal — Lafayette College — B.A., Kean College — M.A.

5 WINS 4 LOSSES
LOWEST SCORE WINS

Plainfield's boys cross country team had another winning season. Taking third in the country race, second in the Watchung Conference and seventh in the State Sectionals.

Led by senior captains Ludwig Williams and Jeff Johnson, who finished tenth and eleventh in the Watchung Conference race and eighth and eleventh in the county race and seventeenth and thirty first in the State Sectional race, respectively.

The team had very strong back up support from junior Jeff Grimm and freshman sensation Reggie Gentles, along with Ken O'Burke, John Spooner and Noel Pyne.

The team looks to be esculating in the following years because of new, strong young runners. Ludwig Williams set the new 3.2 mile home course record.

After being ranked as the second best team in the state during last year's season, the girls Cross Country team returned this year for another outstanding season.

The team, consisting of Seniors Patricia Mulvaney, Mary Hochreiner and Cynthia West, and Juniors Lisa St. Clair, Lisa Heaney, Sophomores Sylvie Mulvaney and Freshman addition Susan Roundtree. Team Captain Patriania Mulvaney, captured the new 3.2 Mile home course record in 19:50.

The "Varsity Seven" then went on to win the Union County, Watchung Conference, and State Sectional titles, with Lisa St. Clair running an incredible first place finish in the State Sectional meet, becoming the first Plainfielder to ever win a State meet in Cross Country.

Despite injuries, the team ended their season with a strong sixth place finish in the State Group IV Championship meet.

Everyone on the team did a superior job and we wish the best of luck for the departing seniors and the future P.H.S. Girls Cross Country teams.

Although a 3-6 record could never be considered impressive, yet, when one considers the teams that represent the six losses, there is little reason to despair. Those six losses were to a state champion, a state runner-up and a state semi-finalist.

The Cardinals finished fifth in the Watchung American Conference. The top four teams were ranked in the top 20 in the state.

Top players included Teddy Brown, named MVP by the coaches, Ed Chavis, Most Valuable Offensive Back, Dwight Wyatt, Unsung Hero and the most Improved Offensive Players, Kurt Phillips and Manny Mills. Our Defense was greatly improved. Outstanding preformances by Mark Harris, Mike Lucky, Rob Williams highlighted a solid team effort. Juniors "Bull" Hoover, Jerry Tobias, Darryl Butler, Tim Curry, John Anderson and George Egerton, plus sophomores Rodney Williams, and Darren Robinson all contributed greatly to our season as they gained valuable experience. Terrance Hoover was named to the All-Area Defensive Team.

The 1981 Cardinals made valiant efforts throughout the past season. Although not having an exceptionally good record, they came to play in every game. The seniors to be recognized for their hard four years are Captains John Perez and Luis Castillo. Other bright spots for Plainfield were: Juniors, Midfielder Pratricio Aguas, Coalies Marino Tavarez and Striker Fernando Chicaiza. Juniors on defense were Douglal Drews and William Mends-Cole.

Many improvements have to be made for the upcoming season. The players have been encouraged to attend a weight training designed to enhance their own raw abilities on the soccer field. They have been made to realize that this sport is a 12 month affair of hard work that will only pay off in the fall.

BOY'S VARSITY BASKETBALL

The Boy's varsity basketball team ended the season with a 21 and 5 record. The Cardinals succeeded to win the Christmas tournament and obtained a three-way tie for the Watchung Conference. Plainfield, Linden and Montclair all had a 12-2 record in the Conference.

The Cards showed determination and constant teamwork. With the floor leadership and foul shooting of Jeff Johnson, the jump shot of Billy Vaughan, the rebounding and scoring of Marc Mitchell and Gary Williams, in addition to the blocked shots and inside domination of Tim Harvey, the

The players whom we read of in the sports page, improve by practice. Juniors Raymond Lee, John Carter, Gene Vaughan, Joe Greer, Shelwyn Ragin and Sophomore Eric "Squirrel" Felder are the above mentioned "practice." These returning letterman will be leaders of a young Cardinal team next season. Even though it will be a rebuilding season I'm sure it will be a successful one.

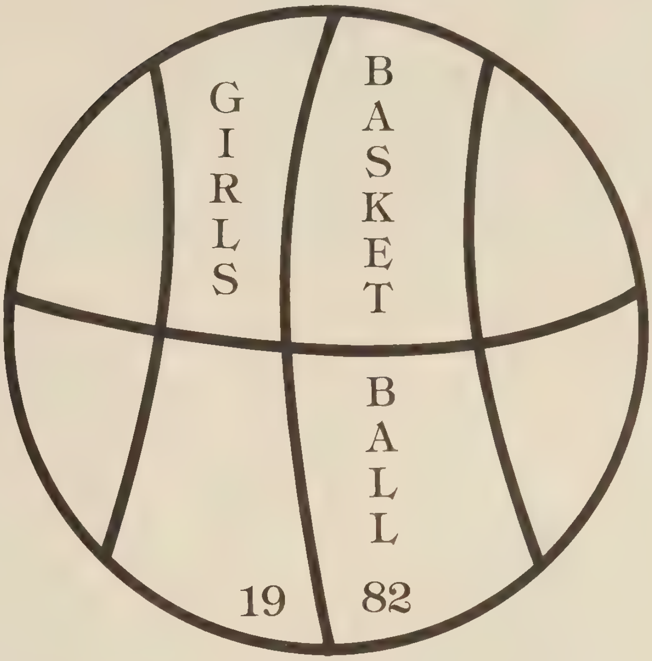
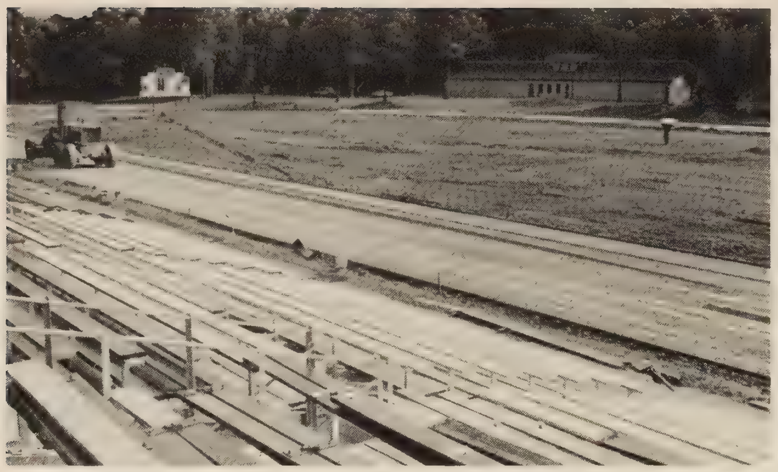
Coach Harry Lambert: County and State Coach of the Year



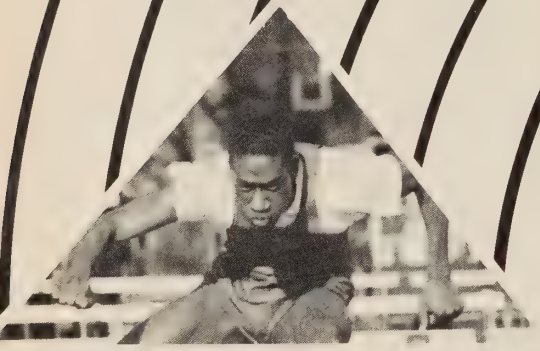
The 1981-82 Lady Cardinal Basketball team continued it's winning tradition by capturing their fourth X-mas Tournament, their sixth Watchung Conference and an unprecedented 4th consecutive Union County championship. The lady Cardinals won their first sectional title; defeated top ranked Paramus Catholic and for the first time went to the state finals. The lady Cardinals lost its last game of the season to Atlantic City 62-60 in one of the states finest games. Another fine season (26-1) was turned in by seniors Shielda Smith and Sandy Chambers, with sophomores, Dana Williams, Jennifer DiMaggio, Rena Jones and Michelle Lewis, Senior Darlene Cooper and sophomores Sylvia Mulvaney and Crystal Hayes also contributed greatly to the teams outstanding season.

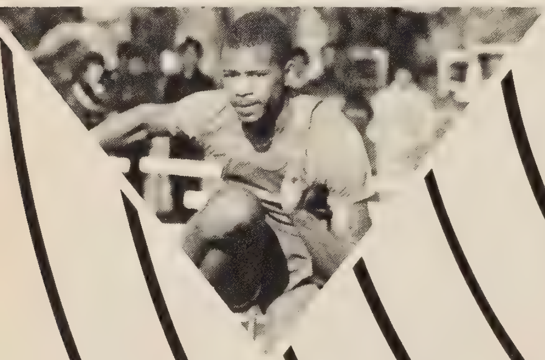
"The girls Basketball Teams have been very successful over the years — we will never disappoint our loyal fans. Thank you one and all for your support."

COACH HARRY LAMBERT



Varsity In





The P.H.S. Boy's Track Team had a surprisingly good season this winter. The team lost four All-Americans last year, but this years crop proved to be of All-American calibur too.

The talent was led by first team all-staters Tony Valentine and Troy McKoy who were state champs, Tony in the 400 and Troy in the high jump.

The team got off to a good start, winning the Kearny Invitational, blowing the County Relays; then coming on strong to win the county and State Championship.

The team has the potential to win the spring championship if they continue to build a feeling of togetherness and responsibility to each other and to school tradition.

The Boys' Team placed fourth in the Union County Relays, won the Union County Title, placed second at the Group Four Relays, and won the Group Four title. The Girls' Team placed third at the Group Four Relays, but won the Union County and Group Four Titles.

The State Champion Ladies Track Team once again captured the gold. Led by All-Group State Champion Tracey Carter, the state record holder at 400 meters -57.5- anchored championships at the Meadowlands in the Olympic Development Championship. She was the key to team titles at East Brunswick, Queen City Relays, Dartmouth Invitational and the N.J.S.I.A.A. State Championships.

Girls' Tennis

The girls tennis team finished their season with a 7-8 record. Six of the starters will be returning next in what should be a very good season. This year the Lady Cards were a young group that showed improvement through the season. Leading the 1981 Cards was second singles player Jennifer DiMaggio. Jenny shared MVP honors with third singles player Gabriel Boccher. The Doubles players were Lisa Haynes, Donna Bowlin, Josephine Yurgel and Bich Ngyuen. We will greatly miss the leadership of our two graduating seniors, Sarah Hengel and Becky Reid and look forward with great anticipation towards next season.

Baseball

The 1981 Boy's Varsity Baseball team had upset victories over Linden, Scotch Plains and Elizabeth. The Cardinals played the role of "supreme spoilers" in the Watchung Conference in the 1981 season.

Some of that success is attributed to Jeff Johnson, an infielder who hit over .340 for the second year in a row. Jeff also made Honorable mention in the All-County standings. Todd Holmes, starting first basemen, hits with power and is well known for his defensive skills. Pitcher Robert Anderson won three games as a starter and shut out Scotch Plains 1-0. Ed Chavis added flair to the team as a good starting left fielder. Catcher Steve Yarborough has great potential with two more high school years left. We expect a thrilling season and hope to come out on top.

The 1982 edition of the girl's Varsity Softball team looks forward to a successful season. Returning starters include seniors Susan Terry, Lisa Lanier and Lana Lanier. All three of these girls are four year starters on the varsity. First year speedster Lorraine McCrea will add depth to the outfield.

The majority of the team is made up of underclassmen. Returning junior Charlene Singleton and Elaine Sergon are three year varsity players.

Sophomores Lisa Nunn, Dana Williams, Connie Bilal, Ursla Brown, Kristine Kelly, and Crystal Hayes all figure to make major contributions to the varsity team.

Coach Chris Robinson feels that if the team can get off to a good start it could mold itself into a very formidable opponent. Our schedule is a very demanding one, however I feel that the girls are ready for the challenge.

Editor's Message

At last . . . The long awaited Milestone '82. We've gone through some changes including a new advisor—Mr. Sidney Mace and a shorter staff. Through it all, we made it!!

First of all, I would like to thank Derek Young. Without him, we probably would have missed our last and most important deadline. He gave his time and energy to this book and I'm truly grateful.

Secondly, my good friends and editors, Maryke Alburg and Leonard King, deserve a lot of thanks. They truly worked hard on their sections and were always there when I needed some extra help.

Thirdly, I would like to thank the rest of my editors: Theresa Walsh for making it to games, dances, etc. when we needed pictures; Tonya Cooper for helping with copy; Cheryl Diggs, for taking over the faculty section; Michael Lucky, working hard on clubs; Lynda Carden, typing all our work; Alan Hattan, working with Mr. Mace on Ads; and Troy McKoy and Jeff Upperman who were always "on the run," but still had time to work on their sections. Thanks to this super staff, we have a fabulous book.

I should also like to acknowledge my appreciation to the "Big Guys"—Normandy Studio for taking such beautiful pictures and Gordon Lawshe, our publisher, who drove us crazy throughout the year.

This book couldn't have been possible without the help of our terrific underclassmen and seniors. I especially want to thank the seniors for helping me out on the Senior Poll.

I also want to thank my family, especially my brother Juan and sister Georgiann, for giving up nights of H.B.O. just to help me on this book.

Well, it's time to go. On behalf of Plainfield High School, I would like to wish the best of luck and success to the class of 1982 and may each and everyone of you find happiness in the future.

Sincerely,

Joyce Rosa
